

How to access the RECORDING of the Worship Service if you are unable to join live

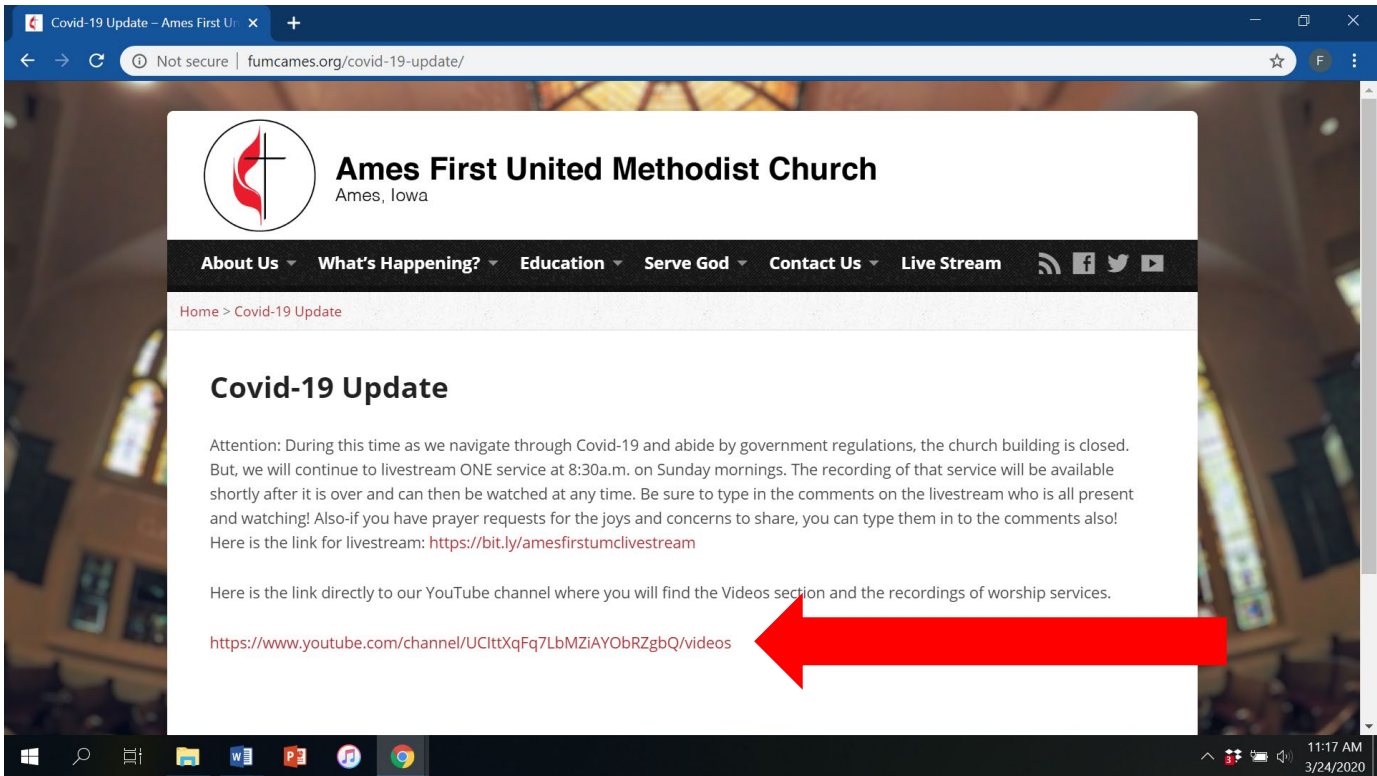

1. Open your Browser and enter the church website in the address bar.
www.fumcames.org

2. Once on the church webpage, go to the box image title Worship During Covid-19

3. Once you're on that page, you will see the link to access the recording

4. This will direct you to our YouTube channel directly to the Video section where you will find the worship service recording. Click the image you wish to watch and it will begin for you.
